**INCREASE YOUR COMPETITIVENESS & DECREASE COSTS**

Every day, manufacturers are becoming more competitive. This is forcing companies to cut their costs and increase their productivity. The only way to do this is to ensure that you know exactly what is happening on your factory floor. HaldanMES will drive your team to see waste, and will allow them to focus on eliminating it. It provides immediate and invaluable information at your fingertips.

## EXPERIENCE CONTINUOUS IMPROVEMENTS LIKE NEVER BEFORE

### Terms and Conditions: (Subscription-model Promotion)

Applicable to companies who sign-up for HaldanMES subscription-model before 28 February 2018.

Purchase orders must be received before 1 March 2018.

Applicable candidates will receive this promotional offer:

- 10% discount on subscription cost for software for the first 12 months;
- 15% discount on the once-off cost for the Basic Implementation and Training.
- This offer does not apply to Hardware costs.

**Contact Haldan Consulting directly to negotiate your deal.**

**If you don't meet the above criteria, you may still qualify for discounts.**
