

**NEW YEAR. NEW BEGINNING.  
TODAY IS A BRAND NEW DAY. THE FUTURE IS MINE TO CREATE.**

As the first month of 2018 comes to an end, we hope that you have had a successful start to the new year. May the rest of the year be filled with happiness and prosperity.

## New website coming soon...

Haldan Consulting will soon be launching a brand new website next month. Our team is working hard to deliver a site with many great new features for you to enjoy. Watch this space for more information and exciting news.

## Adcock Ingram expands OEE

Adcock Ingram has expanded its HaldanMES installation at their Clayville plant. Before, OEE data from most of their machines was being recorded manually on paper and then imported into HaldanMES later for analysis. However, this move to automatic data collection will ensure a much higher level of data accuracy and integrity.
